**July 2018**

With the first half of the year behind us, we would like to share some of our news with you.

## **NEW DEVELOPMENTS**

- **Fuel Import** – We have been working closely with two different companies to offer you the option of importing your diesel records directly into CanePro. We are in the final stages of testing, and our next step will be live implementations with our clients who have been testing the new functionality for us.
- **Time & Attendance Import** – we are dealing with a few companies who offer time and attendance recording systems. We are in the early stages of writing the imports while we wait for our clients who will be testing the functionality to finalise implementation on their side.

We have made the decision to have a multi system import so that you as the clients can choose which provider will work best on your farm.

Should you be interested in these new features please email us on [farmsupport@sqrsoftware.com](mailto:farmsupport@sqrsoftware.com).

## **BACKUPS**

### • **RANSOMWARE**

A few of our clients' systems have been "infected" by Ransomware. It is important to do everything you can to avoid this happening to you. The risk of losing all your data is real and the consequences are serious.

Avoid this by: Regularly backing up and storing the backups off your PC, using anti-malware software, a paid antivirus program such as ESET or Sophos and confirming the legitimacy of email attachments before opening them.

## **SQR NEWS**

- A significant number of new clients have joined the CanePro family within the past year. We have enjoyed working with them to get the best possible benefit from their investment.
- We have also had a couple of advertisements in recent editions of the SugarBytes online magazine in the 'Top Farmer' section, when they have mentioned CanePro in their interviews: <http://www.sugarbytes.co.za/2018-7-jeremy-cole> and <http://www.sugarbytes.co.za/2018-10-ant-goble>.

## **SQR STAFF NEWS**

- We have a new General Manager, Hendrik Jansen van Rensburg.
- We welcome Brandon Jacobs and Jason Chipps to the Team. Some of you have worked with them on the Farmer Support Team – we wish them a long and prosperous journey with SQR.
- Dheshree has now moved into our HR and Finance department.
